

DOG WALKING POLICY

At SVT Reservations

The purpose of this SVT Reservation is to protect plant and wildlife habitat and encourage nature observation and learning; therefore, we want to take care to preserve these qualities.

- Dogs are required to be under control at all times. “Control” is defined by the dog being within the owner’s sight and hearing at all times and being trained to come immediately when called.
- Dogs must be restrained by a leash immediately when encountering other walkers, with or without dogs.
- An individual dog walker can bring a maximum of three dogs.
- Dogs are not allowed in ponds, watercourses, or wetlands.
- Dog owners must clean-up after dogs
- Dogs are not allowed to harass wildlife of any kind.
- Dogs must stay on paths at all times.
