2022

Healthy Land,  
Strong Communities

Sudbury Valley Trustees

Your partner in protecting  
natural areas around the Sudbury,  
Assabet, and Concord Rivers

## Dear SVT members and friends,

We are thrilled to report that SVT enjoyed another successful year of conservation in Fiscal 2022.

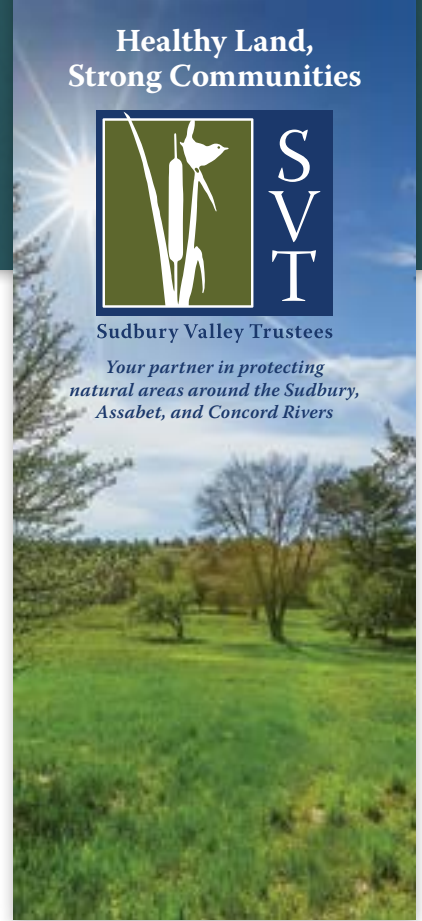

In collaboration with landowners, local land trusts, and public officials, we protected another 152 acres in the region, and we assisted in the protection of an additional 28 acres of agricultural land. Spanning farms, forests, meadows, and wetlands, these lands are essential to the health of our communities: They yield fresh produce, offer trails for recreation, protect habitat for wildlife, and buffer various impacts of climate change.

We also worked with volunteers and partners to maintain our hiking trails and clear invasive plants from conservation lands. As part of our continuing efforts to become a more diverse, equitable, and inclusive organization, we sponsored our second annual Juneteenth Commemorative Walk at Memorial Forest in Sudbury.

The pages in this report illustrate a few of our highlights from Fiscal 2022. As always, our success was made possible by you, the SVT members, volunteers, and partners who support local conservation. Because of your generosity, future generations will enjoy the same natural areas and healthy lands we enjoy today. Thank you.

*Karin Paquin, President*

*Lisa Vernegaard, Executive Director*

## 93 Properties, 97 CRs

As our list of conserved lands grows, so do our responsibilities. Every year, we visit all of the properties we own and all of the conservation restrictions (CRs) under our care to ensure their ecological values are being maintained.

## 35 Nature Programs

In a year when COVID-19 continued to cast a shadow over our lives, SVT offered more than 35 programs to connect people with nature. In addition to hosting in-person events such as wildflower walks and owl programs, we also offered webinars about monarch butterflies, invasive species management, wildlife cameras, and more.

## 152 Acres Protected

In concert with numerous partners, SVT directly helped to conserve 152 acres in Fiscal 2022. The list of properties we own outright now includes the Hutch-Emino property in Marlborough (which we added to our adjacent Grist Mill Pond Conservation Area) and the Crawford Street Woodland in Northborough.

We also co-hold an agricultural preservation restriction (APR) on Stonefield Farm in Acton, and we hold or co-hold CRs on the Howard Street Land in Northborough, the Halloran Land in Southborough, and Browns' Woods in Littleton.

As a bonus, we assisted the Town of Holliston in acquiring an APR on the 28-acre Thistle Dew Farm.

## 54 Preserve Stewards

SVT relies on our dedicated stewardship volunteers who perform maintenance on our trails and also lend a hand with larger projects.

In Fiscal 2022, we installed a set of steps at Smith Conservation Land in Littleton. We also joined with the Berlin Conservation Commission to build a bridge and remove an old culvert to naturalize a stream at the Forty Caves Conservation Area. And at our Lyons-Cutler property in Sudbury, we built several boardwalks to improve the footing and prevent erosion.

## 30 New Photographers

In Fall 2021, we launched a Volunteer Photo Task Force, whose members visit our properties to capture nature's beauty in every season. Thanks to their artistic vision, we now have a collection of stunning images that illustrate the importance of conservation. Plus, we also enjoy the support of dozens of other members and friends who generously contribute images to the Nature Sightings page of our website.

## Scout Projects

SVT and Scouts make a great combination. Boy and Girl Scouts often help to maintain our properties, and we provide opportunities for Scouts looking for an Eagle or Silver Project. In Fiscal 2022, Scouts built bridges and boardwalks on our trails, installed photo stands to encourage citizen scientists to track environmental changes on our lands, and built and installed bat boxes at our Wolbach Farm headquarters in Sudbury.

## 10 Pollinator Gardens

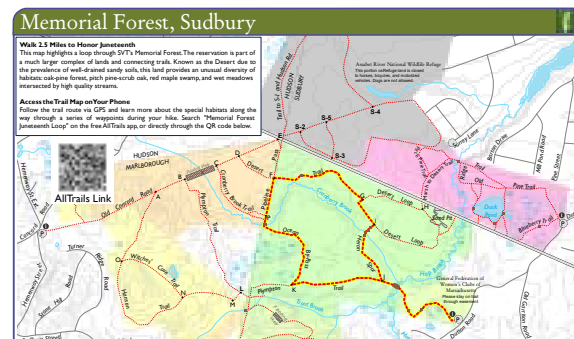

With SVT as the coordinating organization, members of the Metrowest Conservation Alliance (MCA) collaborate to share the best practices for land management. In Fiscal 2022, the MCA's Native Pollinator Initiative created or expanded 10 public demonstration gardens that include the native plants and other habitat features needed by the most-at-risk native bees.

## More Weed Warriors

Since 2020, SVT has trained dozens of volunteer Weed Warriors to fight invasive plants on our properties. In Fiscal 2022, we expanded the program by transferring its management to CISMA (Cooperative Invasive Species Management Area), a collaboration of conservation groups that combat invasive species in Metrowest. Thanks to CISMA's efforts, 10 partner organizations are now training Weed Warriors to battle invasives throughout the region.

## Commemorating Juneteenth

For the second consecutive year, SVT worked with the Sudbury for Racial and Social Justice group to commemorate Juneteenth National Independence Day. Our 2.5-mile self-guided tour of Memorial Forest symbolized the two-and-a-half long years it took to notify enslaved people in Texas that they were free.

## Engaging Youth

As a way to inspire future conservationists, SVT often engages area youth in our work. In Fiscal 2022, we collaborated with a group of advisors—all under the age of 10!—to develop a child-friendly exploration map of the Acton Arboretum.

## 6 Votes for Conservation

Through yard signs, mailings, e-mails, and letters to the editor, SVT provides support to local conservation initiatives. In Fiscal 2022, we encouraged voters in Berlin, Boxborough, Concord, Harvard, Upton, and Wayland to support the use of Community Preservation Act funds to conserve open space in their towns. All six projects passed during Town Meeting votes.

## Our Mission

Sudbury Valley Trustees works to protect natural areas and farmland for wildlife and people in the 36 communities that surround the Sudbury, Assabet, and Concord Rivers.

## About Us

Working in collaboration with landowners, local conservation commissions, and government agencies, SVT pursues its mission through land acquisition, stewardship, advocacy, and education.

## Financial Overview: Fiscal 2022

SVT enjoyed another strong financial year in Fiscal 2022, which ran from July 1, 2021, through June 30, 2022.

As always, we received generous financial support from SVT members, who provided 68% of our operating revenue through membership dues and through donations to fundraising events. Individuals, foundations, and other organizations also contributed over \$800,000 directly to land protection projects, helping SVT and our partners fund efforts to conserve more than 360 acres of land. In addition, SVT was fortunate to be named the beneficiary of two exceptionally large gifts in Fiscal 2022. Two long-time members each bequeathed approximately \$2 million to SVT; one gift was donor-restricted for land protection, and the other was placed in a fund that will provide SVT with a perpetual source of operating revenue. With these extraordinary gifts, each donor left a legacy that will benefit our natural areas for decades to come.

The SVT staff together with our Board of Directors and Finance Committee carefully manage our funds to keep the organization in exceptional financial health and allow us to accelerate our pace of land protection and stewardship. As illustrated in the chart below, revenue has consistently exceeded expenses in recent years, while the number of acres we have protected climbs ever upward. We remain in an excellent position for this trend to continue.

# Our Donors

We are grateful for the generosity of our more than 2,500 members, foundations, business sponsors, and in-kind contributors. Listed below are those who made contributions between July 1, 2021, and June 30, 2022. Due to space limitations, we are only able to list donors of \$250 and above. We extend sincere thanks to all of our contributors.

# Our Volunteers

SVT relies on the support of more than 200 volunteers each year, both on our properties and in our offices. Many of the volunteers who serve on our Board of Directors and Committees (listed elsewhere in this report) also help out in countless other ways. In addition to our Board and Committee members, the following volunteers also provided at least 20 hours of service in Fiscal 2022. We are grateful to them and to all our volunteers for their commitment to conservation.
