About This Property

Mr. and Mrs. Henry Hall of Cambridge enjoyed some 30 years of walking and horseback riding at Henry’s Hill before giving it to SVT in 1983 so that it would be conserved for others to enjoy.

In June 2018, SVT and the City of Framingham protected the adjacent Wayside Forest, a 52-acre wooded gem.

The land on the east side of Wayside Inn Road was given by Dr. Robert Gross in 1975 and was later enlarged by the addition of a private conservation restriction (CR). A CR prevents the land from ever being further developed.

Features of Note

• The Bay Circuit Trail (BCT) traverses the property; the BCT stretches 200 miles through eastern Massachusetts, from Plum Island on the North Shore to Kingston on the South Shore. The BCT links Henry’s Hill with SVT’s Baiting Brook-Welch Reservation to the southwest and with the Nobscot Scout Reservation CR to the northeast.

• The trail on the west side of Wayside Inn Road loops through the woods and over the meadow on Henry’s Hill.

• The bird boxes in the open meadow are used by tree swallows and eastern bluebirds. Bird boxes like these mimic cavities in dead standing trees, the natural choice for these species.

• Two trails cross Wayside Inn Road. The northern option passes through and then skirts the edge of a CR before starting to climb to a connector with the City of Framingham’s Wittenborg Woods.

• If you approach Wittenborg Woods from SVT land when the leaves are off the trees, the view out to the west will remind you that you’re high on a hillside.
